

Group 6- Sprint 1 review

(Omar Al-dulaimi, Entor Krasniqi, Doni Kojovic, Sarujan Mathyruban)

What has been done :

- Our team did every task.
- Implementing the Database
- Start Developing the User Interface
- Use Maven for Build Management
- Integrate Unit Testing
- Configure Code Coverage Testing
- Setup jacoco
- CRUD Testing

What is in progress:

- none

Obstacles we faced:

- Our team member had personal life issues so couldn't help that much on this sprint.
